S.J.W First Aid Training Services has been approved by the Health & Safety Executive, since 1996, to provide training that meets the requirements of the Health & Safety (First Aid) Regulations 1981

Certificate of approval No: 1741 / 96

The following courses can be conducted on your premises, to suit your requirements :-

- ◆ First Aid at Work
- ◆ First Aid at Work Refresher
- ◆ Appointed Person in the Workplace
- ◆ Emergency / Basic First Aid
- ◆ C P R Training
- ◆ Paediatric First Aid
- ◆ Manual Handling
- ◆ Health & Safety Awareness
- ◆ Fire Safety Awareness

3 year certificate will be issued on completion.

(Approved by the HSE for First Aid at Work courses)

A course book will be provided for each candidate.

A Suitable (carpeted) training room will be required.

3 rooms are required for the final assessments (First Aid at Work courses only)

Students must not suffer from any medical condition that would restrict their ability to undertake the practical work, which is an essential part of the courses.

Other Venues – Courses also take place at various venues throughout the Midlands area, where individual members can attend.
